

FACIAL SERVICES

Facials & Peels

Intro Facial (first time visit only)-

\$75

This facial is for first time clients. It is just like our classic facial

Back Facial-

\$75

This treatment is excellent for the hard to reach back area. This service includes a cleansing of the skin, exfoliation, extractions (if necessary), and is followed by a massage of the back and a specialty mask

Teen Facial-

\$85

This treatment is for teens, to help combat hormonal breakouts and keep their oil under control

Classic Facial-

\$100

This facial is designed for ALL skin types. This service includes extractions and a custom mask as well as massage. Lay back and indulge in this relaxing service!

Deep Pore Cleansing Facial-

\$95

This facial is designed to treat inflamed acneic skin. This treatment includes a detoxifying mask and soothing ingredients that are ideal for the oily, acneic skin type

Vit-C Firming Treatment-

\$135

This service includes a vitamin C firming mask to help brighten and tone the skin. Great for hyperpigmentation and fine lines

Microderm Facial with Hydrating Mask-

\$145

This facial is for those who need a deeper exfoliation. It includes a double cleanse followed by microdermabrasion, a peel, and finished with a soothing, hydrating mask

TCA Peel Facial-

\$150

This treatment includes a stronger peel which helps heal acne/scarring and prevent future breakouts while reducing fine lines and wrinkles. (Also available in a series)

Glycolic Peel Facial-

\$150

This treatment includes a stronger peel which addresses premature aging skin, fine lines, and hyperpigmentation. (Also available in a series)

Microderm Peel Treatment with Hydrating Mask-

\$165

This treatment combines microdermabrasion followed by a light peel. After microdermabrasion the skin is exfoliated and much smoother in texture which allows the peel to penetrate deeper. This treatment will leave your skin smoother and more refined

****All facials include extractions if they are needed****

Add Ons

Hydrating Mask w/ Stem Cells-

\$15

A great addition to any treatment. Helps boost hydration in the skin with hyaluronic acid and stem cells to keep your skin looking plump and glowing

Additional 10 Minute Massage-

\$15

Pamper yourself with added massage to an area of your choice (Hands, arms, shoulders, face)

Extra Strength Vitamin C-

\$20

An extra boost of antioxidants that adds more anti-aging benefits and brightens your complexion

Gel Peel/Acid Peel-

\$30

Add additional exfoliation to any treatment customized to your skin needs. A light gel peel or a more targeted acid peel

LED Red Light-

\$30

Helps stimulate collagen and elastin production. Reduces blemishes, inflammation and softens fine lines. Helps lighten age spots and hyperpigmentation (Add to any service)

Microdermabrasion-

\$50

This treatment helps to remove all of the dead skin cells from the treated area while improving the texture of the skin. Helps to minimize discoloration, scarring, and sun damage

Microdermabrasion (Neck & Chest)-

\$65

Helps to remove dead skin cells & wrinkles on neck and chest to reveal smoother skin
