

Facial Services

Facials & Peels

Intro Facial (first time visit only)-

\$75

This facial is for first time clients. It is just like our classic facial

Back Facial-

\$85

This treatment includes a cleansing of the skin, exfoliation, extractions, and is followed by a specialty mask

Teen Facial-

\$85

This treatment is specifically designed to help teens combat hormonal breakouts and keep their skin clear of breakouts

Custom Facial-

\$100

This treatment is created to aid in rejuvenating the skin through cleansing, exfoliation, light massage, masking and treating all types of skin concerns.

Deep Pore Cleansing Facial-

\$100

This facial has been designed to help repair skin blemished by breakouts and excess sebum production. The Acne Facial includes deep extractions, followed by high frequency to diminish bacteria, and a specialized detox mask.

Oxygen Facial

\$145

This special skin reviving facial includes a facial massage, enzyme peel, extractions, custom mask, and oxygen treatment with vital minerals and antioxidants that leave the skin calmed, hydrated, and glowing.

Peel and Glow Facial

\$160

This Facial is very result oriented. It includes a cleansing, extractions, deep exfoliation of dead cells through microdermabrasion or chemical peel, custom mask, high frequency, oxygen treatment, serum, and spf. This facial will leave your skin smooth, renewed, hydrated, and glowing! This is the perfect combo for acne prone, pigmented, scared, and/or aging skin.

The Red Carpet Facial

\$185

This facial has been designed to deliver fast results with very little down time. It includes a Customized facial with Microdermabrasion of the face and neck or peel of the estheticians choice, and a luxurious Hydrating Stem Cell Mask while laying under RED LED, finished off with the oxygen treatment. You will leave with glowing skin! This facial helps lighten pigmentation, tighten pores, reduce fine lines and wrinkles, and firm the skin!

****All facials include extractions****

Add Ons

Oxygen Treatment

\$35

Specially formulated serum is infused into to skin, leaving it soothed, hydrated, and glowing. A must for dull, tired looking skin!

Hydrating Mask w/ Stem Cells-

\$15

A great addition to any treatment. Helps boost hydration in the skin with hyaluronic acid and stem cells to keep your skin looking plump, glowing, & revitalized

10 min Scalp Massage-

\$15

Pamper yourself with a scalp massage. This add on helps relieve minor headaches and tension.

Extra Strength Vitamin C-

\$25

An extra boost of antioxidants that adds more anti-aging benefits and brightens your complexion

Gel Peel/Acid Peel-

\$30

Add additional exfoliation to any treatment customized to your skin needs. A light gel peel or a more targeted acid peel

LED Red Light Therapy-

\$20

Helps stimulate collagen and elastin production. Reduces blemishes, inflammation and softens fine lines. Helps lighten age spots and hyperpigmentation (Add to any service)

Microdermabrasion-

\$35

This treatment helps to remove all of the dead skin cells from the treated area while improving the texture of the skin. Helps to minimize discoloration, scarring, and sun damage.
